

age of 15 she went to work in the kitchen at Marygrove College to help out her family. While working, she continued to attend night school taking business classes.

In 1942, Mrs. Prusak went to work with her father on the assembly line at Ford Motor Company in Detroit working on transmissions for aircrafts. The next year, she transferred to a General Motors Plant where she worked as a riveter on the wings of the B-29. As a Rosie the Riveter, Stella's hard work, grit, and patriotism not only sustained the American war effort, but paved a path for the next generation of working women.

After the war, she moved to California for work but before long she returned to Michigan to marry Mr. Walter Prusak and they settled in Allen Park. Together they had three children, two sons and one daughter. A proud Rosie, Mrs. Prusak continued to be a working woman and was employed by Burroughs and many other places as a file clerk. Known by friends for her kindness, generosity, and lucky streak at the casino, she has remained an active member of our community. Her lifelong commitment to service reminds us all of the impact that the Rosies have had on our state and nation.

Madam Speaker, I ask my colleagues to join me today in celebrating Stella Prusak on her 100th birthday. I join with her family and friends in extending my best and warmest wishes to her on this special day. I am proud to honor her life, her accomplishments, and her invaluable contributions to our nation.

THE PASSING OF 46TH FIRST
LADY OF INDIANA, SUSAN BAYH

HON. ANDRÉ CARSON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 16, 2021

Mr. CARSON. Madam Speaker, today I rise in remembrance of Susan Bayh, 46th First Lady of Indiana, who passed on February 6, 2021. Susan is survived by her husband, former Indiana Governor and United States

Senator Evan Bayh, twin sons Beau and Nick as well as her parents and two siblings.

At 29 years of age, Susan became the 46th First Lady for the State of Indiana and the youngest First Lady of Indiana. She worked tirelessly to support her husband, Evan Bayh, in his work. She also worked hard to advance her own priorities as First Lady, focusing on important causes like combating adult illiteracy.

Professionally, Susan served on the boards for several biotech, telecommunications, and healthcare companies. She was on the board of Trustees for Butler University, on the Dean's Council at Indiana University's Paul H. O'Neill School of Public and Environmental Affairs, and she taught at both Butler University and her alma mater, the University of Southern California. In 1994, Susan was appointed by President Bill Clinton to the International Joint Commission and served for six years.

Susan was a loving wife, married to Evan for more than 36 years, a proud mother of twin sons, Beau and Nick, and a beloved child, sibling, and friend. She will be remembered by Hoosiers for her commitment to our state, and for the barriers she helped break for women throughout her distinguished career. We also commend her courageous fight against the cancer that took her life. I will continue supporting cancer research and advocacy to honor people like Susan Bayh and help save lives in the future.

Today, I ask my colleagues to join me in remembering Susan Bayh. She leaves behind a legacy of outstanding accomplishments, as well as a deep connection with her community and those whose lives she touched.

IN HONOR OF THE 30TH ANNUAL
LATINA HISTORY DAY

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 16, 2021

Mr. CORREA. Madam Speaker, today, I rise with Congresswoman ROYBAL-ALLARD on be-

half of California Latinas and the work of Hispanas Organized for Political Equality (HOPE) during "Women's History Month."

Latina entrepreneurs are a key economic engine for the state, generating \$19 billion in revenues and employing over 86,000 individuals in California. Latina-owned businesses fill gaps and serve community needs that other business owners have been unwilling or unable to meet. Their ability to provide culturally relevant services gives them a competitive edge in meeting the demands of a Latinx market with a purchasing power of \$1.7 trillion.

Latinas are being elected to public office and appointed to powerful positions. HOPE alumnae serve on the City Councils of California's largest cities: Los Angeles, Fresno, and Riverside. To date 220 have been appointed to serve on over 400 state and local government positions and 400 have served on over 1,200 non-profit boards.

We celebrate contemporary Latinas who continue to build upon the foundation of our ancestors for the betterment of future generations. We challenge each other through HOPE to ensure that Latinas achieve political and economic parity to benefit all communities and the status of all women.

Please join me in celebrating March 12, 2021 as the 30th Annual Latina History Day and, in congratulating Hispanas Organized for Political Equality, HOPE, for their service to the Latinas of this great nation.
